

CHECK YOUR NEW ZEALAND TAX POSITION

*...before someone
else does*

Whether you have residency in New Zealand or not, you may be subject to New Zealand's stringent tax laws.

Inland Revenue's sophisticated analytics can track all international transactions with a connection to New Zealand. Couple this with the international information sharing agreements, and Inland Revenue is likely to know more about your tax obligations than you do.

With strict penalties and interest regimes for unpaid tax, can you afford not to know?

Our tax expert specialises in advising migrants, internationally mobile persons, and entities on their New Zealand tax liabilities, and how best to structure their affairs in a tax efficient manner.

IF YOU ANSWER YES TO ANY OF THE BELOW QUESTIONS, THEN CONTACT US FOR A FORMAL REVIEW OF YOUR CIRCUMSTANCES AND PERSONALISED ADVICE ON YOUR POSITION.
